

# HAZMATIQ COURSES

## Above the Line/Below the Line Training

**LENGTH:** 8 Hours

**TARGET AUDIENCE:** Those who are likely to respond to a Hazardous Materials/WMD incident.

**DESCRIPTION:** Developed by responders, for responders, this is the foundational, patented system that started it all. This one-day class, taught in a straightforward easy-to-understand methodology, takes the typically complex world of hazardous materials and simplifies it for street-level responder. Each participant receives a set of laminated Above the Line/Below the Line© Charts. These charts enable them to efficiently size-up any chemical in minutes, as well as determine the hazards, meters and PPE required.

### LEARNING OBJECTIVES:

The HazMatIQ 4-step system consists of:

- Step 1) Revolutionary 10-second "Above the Line/Below the Line" chemical size-up.
- Step 2) Verifying/adjusting initial size-up using HMIQ Charts and a reference source.
- Step 3) Choosing the appropriate meter(s) and protective equipment
- Step 4) Operating safely in the hot zone based on the mission

**COURSE LENGTH:** 8-Hours

## FREE TRAINING OPPORTUNITY

### COURSE DATE & TIME:

**Thursday, September 19, 2024**  
**8:00am to 5:00pm**

### LOCATION:

**Evendale Recreation Center**  
**10500 Reading Road**  
**Evendale, OH 45241**
